Lorton Thermic Jacket

CMP304

Sleek thermic jacket for confident cold-weather hiking. The stretch AquaDry Membrane outer conceals a snug layer of hollowfibre insulation and zoned microfleece and tafetta lining for impressive cold-weather coverage. Featuring an adjustable hood, stud-fastening stormflap and five pockets.

Winter Trail Half Zip

CMT922

Agile top that delivers stylish performance on the trail. The marled jersey fabric in muted seasonal colourways makes a good base layer, with a pared-back design that incorporates a half-zip fastening to the neck, elasticated bound hem and cuffs, as well as thumbholes to help anchor sleeves.

First Layer Short Sleeved T-Shirt

CMT870

Short-sleeved outdoor t-shirt that doubles as a responsive insulating base. The fabric incorporates Thermal Control technology which is designed to capture and distribute body heat evenly for warmth and comfort. Available in a selection of bold winter colourways.

Kiwi Pro II Trousers

CMJ564
